May 8th-12th, 2023

Dear Families,

May is the month of Mary. Mary has a unique role in God's plan of salvation and in the Church. She consented to the coming of the Savior and cooperated in developing His mission. She brought Him into the world, raised Him and lovingly stood by His side.

She cooperated in His work, even uniting her own suffering with that of her Son, standing at the foot of His cross. She trusted in God completely and lived by His grace. She is our model of true discipleship and of complete faith. We wish all our mothers, past and present, as well as mother figures in our lives, a Happy Mother's Day on May 14.

May is also a time when we celebrate Catholic Education in Alberta. From May 15-19, we will be celebrating this gift. As Catholics we believe that each person is created in the image of God, and we celebrate the gifts and talents of everyone. Catholic schools have an academic curriculum that integrates a vision of faith within learner outcomes and teacher strategies.

God Bless,

Peter Rachmistruk

Principal

## Faith Reflection

Father, I pray that You fill me with the joy of the Lord, that overwhelming joy. Your joy is unlike anything this world has to offer. It brings peace, trust and hope and with that a rest because I know You are in control. Your Word says in Nehemiah 8:10 "Don't be dejected and sad, for the joy of the Lord is your strength!" I will lift my eyes to the hills, Lord, In Jesus' name, Amen
